 PRESENTS 

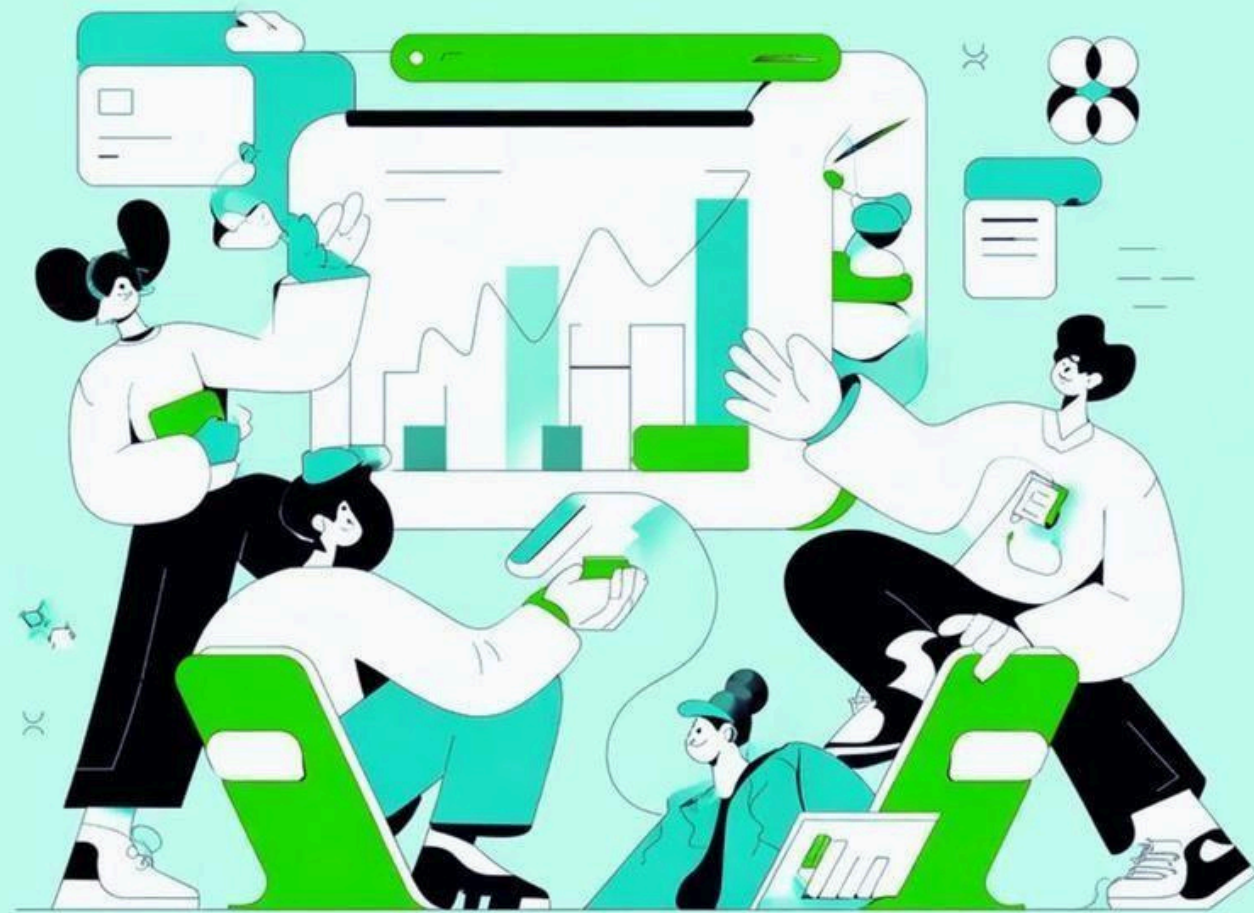

PITCHIN' 180 SECONDS

Event Date: January 23, 2026

**200+ Startups | 12+ Investors | 6+ Incubation
Partners | 10+ Partners Organised by Unibazar
Technologies Pvt. Ltd.**

AIC RNTU ChiklodRoad, Bhopal, Madhya Pradesh 464993

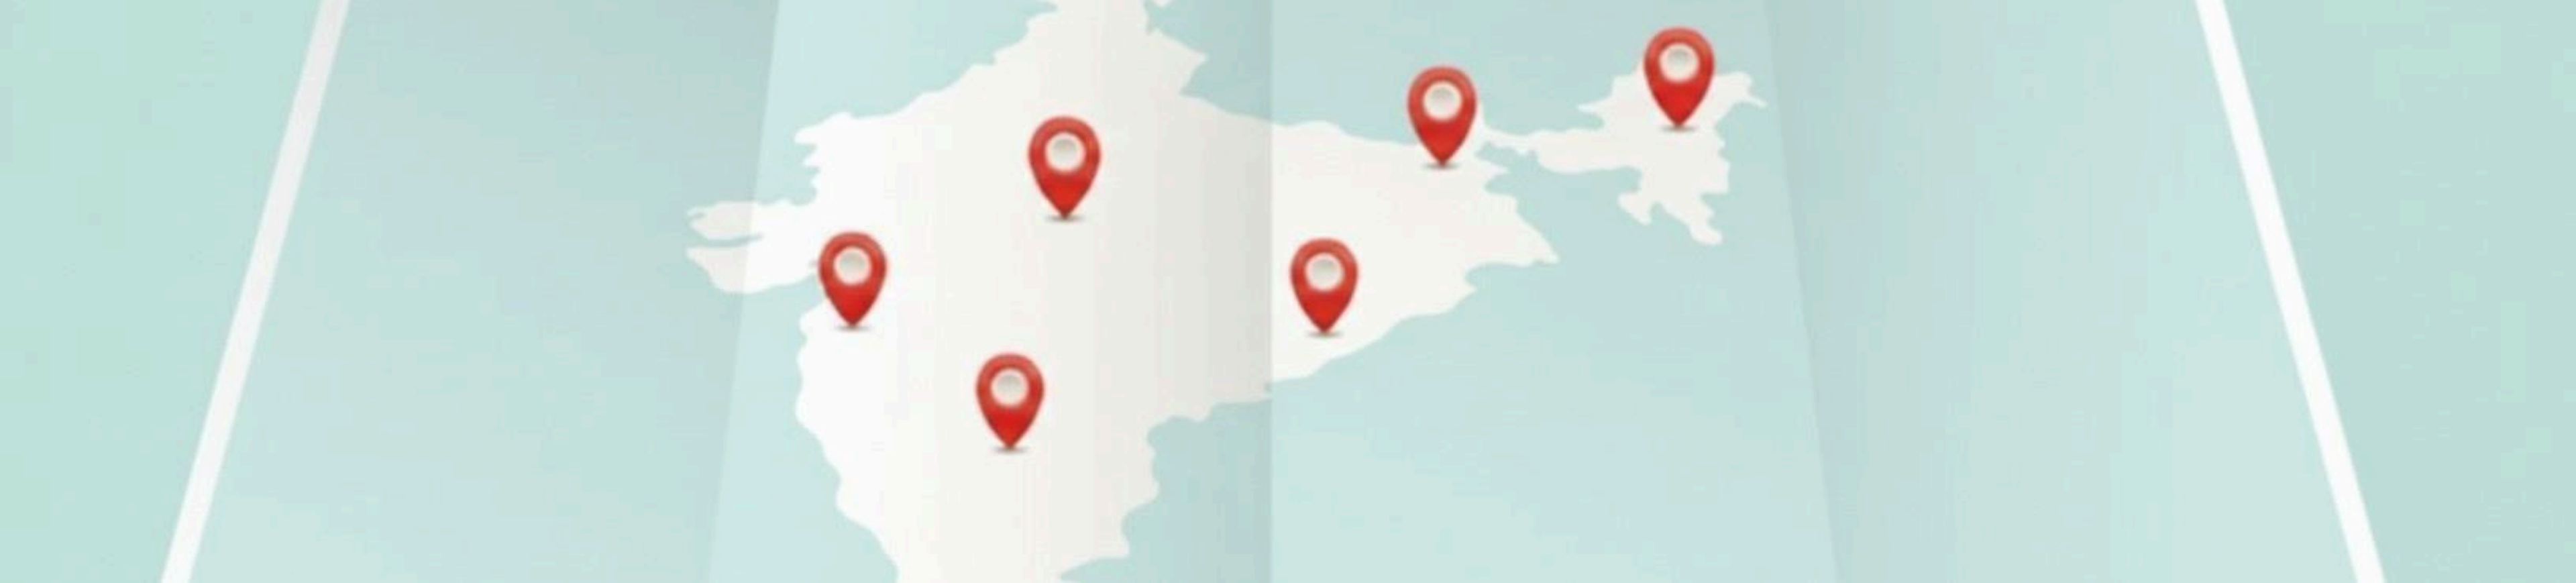

Why PitchIN'180Second?

PitchIN 180 Second is India's most dynamic startup pitchathon, created to bring together visionary founders, active investors, and leading incubators on a single high-impact platform. Designed as a catalyst for innovation, the event offers a focused, high-energy environment where ideas are not just shared, but seriously evaluated, challenged, and accelerated.

At the core of pitchIN 180 Seconds is its unique format. Every participating founder gets exactly 180 seconds to present their startup idea. No extensions. No second chances. This sharp time limit forces clarity, confidence, and conviction, ensuring that only the most compelling ideas and well-prepared founders stand out. It is a true test of vision, execution, and communication.

Founders pitch directly to an audience of top venture capitalists, angel investors, corporate leaders, and ecosystem enablers who are actively looking for scalable, investable opportunities. This direct access removes traditional barriers and creates meaningful conversations that often lead to funding discussions, mentorship, pilot projects, and long-term partnerships.

Our Mission

Pan-India Revolution: Creating a nation-wide startup movement that bridges geographical boundaries and connects innovation hubs across all 29 states.

Bridge the Gap
Connecting startups directly with investors, incubators, and mentors, eliminating barriers between ideas and opportunities.

Empower Innovation
Fostering collaboration, funding, and growth across 61 cities to build India's \$5 trillion innovation economy.
